

ADVANCED QUOTE

Simplifying your customer-to-cash cycle

What is Advanced Quote?

SalesPad[®] Advanced Quote is your all-in-one tool for effective order management. From entering orders to editing documents to creating invoices, Advanced Quote's capabilities will transform your day-to-day operations and you'll see a massive improvement in your team's productivity.

You should use Advanced Quote if:

- You have a complex inventory
- You spend a lot of time entering orders and looking up information
- You're interested in maximizing your efficiency and profitability

What does it look like in action?

Leverage tools in Advanced Quote like matrix view and the CrossSell and UpSell modules to enhance the visibility of your items, and easily enter orders with different item attributes. Create pick tickets and invoices with ease through the Blanket Orders function, and quickly look up your inventory and customer information.

How can I expand my software tool kit?

Advanced Quote is just one tool in your software tool kit. Build out your complete distribution software solution with Salespad's additional features and modules — including next-level functionality like automated tasks and workflow, CRM tools, EDI, barcoding, and more. Elevate every process of your distribution management, from selling to order fulfillment to shipping and payment collection, and accelerate their efficiency by uniting them under one powerfully flexible solution.
